Verge Collection Map

Verge Collection Handy tips:

- Waste must be on your front verge by **6am** Monday of your collection area start date, and no more than **7 days** before your collection week
- Avoid obstructing footpaths, light poles, trees, sprinklers, water meters etc.
- Do **NOT** place waste on other verges including nearby vacant properties/ reserves, over or near water meters, electrical domes or artificial turf
- Rangers will be conducting pre collection assessments of verges to ensure compliance with collection requirements
- Observe volume restrictions (green waste 2m³ and junk 3m³)
- Items not collected must be **removed** within **48 hours**. Look for a notice in your letterbox.

Non compliance with the above information may result in an infringement

Be a GREAT Sort!

E is for **Earth-Cycling** food scraps and garden waste.

Not all items can go in your kerbside bins

Take your hazardous items to the Mandurah Waste Management Centre.

The **Household Hazardous Waste** program accepts up to 20 kilograms or litres per material type for households at no charge.

Dispose of up to **100 litres of paint** per visit at no charge.

Cleanaway will collect up to 5L of used engine waste oil and 1 car battery each fortnight.

Please place items either on top of recycling bin or 0.5m away from bin (they need to be clearly visible to the driver).

B-Cycle: Building a planet-friendly battery lifecycle

Join the GREAT Sorts on your street who put less in their landfill bin by dropping off your used batteries to the following drop off locations: Woolworths, Aldi, Total Tools, Officeworks, and the City's Waste Management Centre.

For more information regarding the B-Cycle Program or specific drop off locations can be found on the website at: bcycle.com.au/drop-off

B-cycle batteries in 3 simple steps

Tape the terminals of your batteries to prevent risk of fire

Put them in a glass container and keep out of reach of children

B-cycle them at your nearest drop off point and take your container home to reuse

Gift items to charity, swap or sell

Unwanted, reusable items such as clothes and toys in good condition can be GIFTED to charity, swapped or sold. Virtually everything has a better place to go – we just all need to be GREAT Sorts and treat landfill as the last resort.

You can find your nearest charity store or donation bin at charitablerecycling.org.au/find-op-shop.

Note: If the donation bin is full, you can go into a store, call for home collection or try another bin. Items left on the ground cannot be resold and become litter and end up in landfill.
